2016 NH White Mountain Winter Adventure Camps
for Teens in Military Families!
(Both with and without disabilities.)

Join the University of New Hampshire’s Cooperative Extension Military Youth and Family Program and Northeast Passage for this exciting and supportive winter adventure camp in the White Mountains of NH.

ALL INCLUSIVE! A $20 registration fee includes lift tickets, lessons, equipment rental, food/lodging and a camp memento. There are NO additional fees.

Transportation assistance is available in the continental United States!

Registration will open September 4th – (Please register for ONE session only.)

Teens experiencing physical/developmental/cognitive disabilities - January 8-11
Ages: 14–18  (12 military teens and 12 personal care attendants)
Designed for teens with disabilities, this session features adaptive sports activities in the spectacular White Mountains of Northern NH, including alpine skiing, ice skating, snow tubing, a winter campfire, and more!

Teens experiencing developmental/cognitive disabilities - January 22-25
Age 14–18  (12 military teens and 12 personal care attendants)
Created for teens with developmental and cognitive disabilities, this session features adaptive sports activities in the beautiful White Mountains. Plan to join us for alpine skiing, ice skating, snow tubing, a winter campfire, and more!

Teens without disabilities (Please register for ONE session only)
February 14–17  OR  February 21–24
Ages: 14–18  (24 military teens per camp)
Teens will enjoy winter sports like alpine skiing/snowboarding, zip lining, ice skating, snow tubing, a winter hike, and more. Participation in these opportunities will help increase self-confidence, competence, leadership skills, skill development, social skills, and communication techniques – plus promote an active, healthy lifestyle. Campers will work together, socialize, play, and learn through a variety of adventure-based activities.
