Instructions for Using this Record Book

This book is designed to be the place where you keep records on your project. Read through the book carefully and complete all sections. It is important that you do your own work, but ask your 4-H leader, Extension agent, parents, or other 4-H volunteers for help when you do not understand something.

This project record book is for record-keeping only. 4-H Project Guides contain educational information related to your project. These project guides may be obtained from your local Virginia Cooperative Extension office.

- 1. Obtain the appropriate record book based on the project you selected.
- 2. Read through this book and familiarize yourself with the kinds of records you will need and where information should be recorded. Discuss the book with your parent and/or 4-H leader.
- 3. Complete the essential information when you first start your project, such as the cover page and the project planning page. Share your goals with your 4-H leader.
- 4. Keep your records up-to-date. Record information as it occurs. Consider setting aside specific times during the project when you will work on your record book.
- 5. Write neatly and legibly. Use only one color of ink.
- 6. Include at least one photograph of you with your project, but do not include more than two pages of photos. Additional clippings should be displayed in a scrapbook, not this record book.
- 7. Maintain your book in a 3-ring notebook/binder or folder.
- 8. Write a project story that captures what happened during your project. Discuss your goals, your activities, your challenges, and your accomplishments. Project stories must be at least five sentences; more experienced 4-H members' stories should be considerably longer and more thorough.

Authors: 4-H Youth Development Agents Kelly Mallory, Kaci Coppedge, Cyndi Estienne, Mary Elizabeth Williams, Jocelyn Dailey, and Leslie Prillaman; Agriculture and Natural Resources Agent Carrie Swanson; 4-H volunteers Bertha Durbin and Sandra Turner; Extension Animal Science Specialist Mark Wahlberg; Extension Equine Specialist Celeste Crisman; and Extension Dairy Science Specialist Dave Winston.

Project Planning

This page should be completed at the start of your project, and you should share it with your 4-H leader.

1.	Set at I	east three goals for yourself this year.
•	What do	you want to learn?
•	What do	you hope to accomplish?
•	What new	v activities do you want to try?
Ple	ease tell us	s about your project (check all that apply)
		I own my project
		I borrow my project
		I lease my project
		I board my project

Project Planning

1.	What breed or type of project will you select and why?
2.	Where will you get your project? What are your reasons for selecting that breeder, farm, or business?
3.	What factors will you consider when selecting your project (breed, age, price, etc.)?
	After completion, show this page to your 4-H leader for approval.

Questions

- 1. Was the cost of keeping your project what you expected?
- 2. What will you do differently next year?

Fair Market Value

Every horse has a fair market value, even those which are leased or borrowed. Please work with the owner or breeder to determine the value of the project.

1. Did the value of you project horse(s) increase or decrease as a direct result of your efforts? Why?

4-H Activities

What other 4-H leadership roles did you hold this y	ear? (camp counselor, teen leader, etc.)				
What other 4-H clubs did you belong to and/or wha	t other projects did you complete?				
4-H A	ctivities				

(community service, workshops, camps, Share-the-Fun, county contests, judging teams, etc.)

Activity	Date	Location	Placing or Comments

Activities Other Than 4-H What other clubs or groups did you belong to this year? (school, church, community, etc.) List any activities you participated in for scouts, sports groups, church, community service, etc. that were not affiliated with 4-H. Activity Date Comments What leadership roles did you fulfill outside of 4-H? (school, church, community, etc.)

4-H Story

The motto of 4-H is "learn by doing." Each year we learn something new by participating in a 4-H project. Please write a story that explains:

- What you have learned
- New skills you have gained over this past year in 4-H
- Goals you accomplished. If you accomplished your goals, how did you do so?

Other examples that you may consider writing about include: something that happened that was funny, sad, or exciting; challenges you faced and how you overcame them; who helped you with your project and how they contributed; things you are most proud of. Feel free to relate your 4-H experience to other parts of your life (school, home, family, friends, etc.). Junior members' stories should be **at least five sentences.**

Project Photos

** Please limit yourself to a maximum of two photo pages. **

Additional memorabilia should be displayed in a scrapbook or 4-H portfolio.

*Optional – Record Book Scorecard

4-H Members: Leave this page blank. The person judging your book will complete the score card.
