

# WHAT DOES PIZZA HAVE TO DO WITH POSITIVE YOUTH DEVELOPMENT AND THE KEY INGREDIENTS THAT YOUTH NEED FOR SUCCESS?

Whether you are just starting out in your volunteer role or are a well-seasoned volunteer, this workshop will have all volunteers regardless of their role, take time to think and reflect on their practices as a 4-H volunteer. This workshop will deepen and enrich your understanding of what essential elements create environments and experiences where members thrive and reach their greatest potential! Your role as a 4-H volunteer is KEY to our youth's success.

## THIS WORKSHOP WILL PROVIDE:

-  Essential elements you need to be aware of when designing activities for youth
-  Essential elements that ensure experiences and activities offer "hands on" experiential learning
-  Knowledge of how to view the whole person and not single aspect of life or development
-  Overview on how this process ties together with reporting & reflecting what volunteers do
