## Eastern States Exposition (ESE) Qualification Process for Goats and Sheep

4-H members, age 12 and older as of January 1 of the current year, may qualify for ESE by receiving a BLUE in Fit and Show. Their animal(s) must also qualify by receiving a BLUE in its conformation type class. Each animal you plan to take to ESE must qualify in a type (including your fit and show animal). Any fair held prior to August 20 may be used to qualify. You may actually qualify at one fair and your animal may qualify at another. You may attend as many fairs as you need to in order to qualify, prior to August 20<sup>th</sup>.

You, as a 4-H member, need to keep the ESE 4-H Animal Qualification Form and take it to the fairs with you. You must fill out the form with the awards you and your animal/animals received and submit it to the show superintendent before the end of the show. The superintendent will check it, sign it, and give it back to you.

When you have qualified with your animal/animals, you need to make a copy of the form and mail it to Jolee Chase, 4-H Program Manager, at the address below. All ESE entries must be completed **online**. It is your responsibility to complete the **online entry** and submit them by the deadline. If you have any questions about this, [call Jolee at \(603\) 641-6060](tel:6036416060) or email [Jolee.Chase@unh.edu](mailto:Jolee.Chase@unh.edu).

\*Belknap or Cornish Fair may be used as a qualifying show only if:

- You have not already qualified
- You receive the correct awards there
- **You must fill out your Online ESE by the deadline.**

**Any ESE entries received after August 20<sup>th</sup> will not be accepted. Please mail ESE Qualification**

**Forms to:** Jolee Chase, 4-H Program Manager
