This 16 year old Sandown 4-H'er looked in several stores before she found this navy linen blazer that goes well with skirts or dress pants in her wardrobe. Suzanne hopes the jacket will span many seasons and likes the many different looks that can be obtained by just mixing or matching or changing accessories. She enjoys reading, skiing, bike riding and kayaking as hobbies. You will look sharp when wearing this outfit to those college visits. Have fun discovering various campuses, Suzanne.*

Now write yours: (It's OK to attach extra sheet or computer printout of your narration.)
