

**2017**  
**Summer 4-H Quilt Camp**  
**Week I: July 10-14 - Week II: July 31-Aug. 4 Week III: Aug. 21-25**

Welcome to the 4-H Summer Quilt Camp. Get ready for a week of friendship, hard work and fun. By the end of your week you will have a completed your own beautiful quilt to keep or give to someone special. Details are below, you will need to choose a pattern, pick out and purchase materials. Read though the quilt patterns to help choose, the materials will help you purchase the right amount. If you have questions about the patterns or purchasing materials feel free to call the 4-H office 447-3834 or you may call Dotty directly if you have specific questions.

Remember, by attending the 4-H Summer Quilt Camp you are also committing to help sew the quilt for the 4-H Quilt Raffle at the Sandwich Fair. You will need to commit a total of nine hours spread out over the three days of the fair, October 7-9. Quilters have a great time during the Fair in the 4-H Exhibit Hall working on the quilt and talking to fair goers about 4-H and the quilt.

### **Your Day At 4-H Summer Quilt Camp**

The Quilt Camp will be held at the Sandwich Fairgrounds in the Smith & Hodges exhibit buildings.

Please arrive between 8:00 – 8:30

Be sure to Bring

- All the fabric and materials for your quilt
- Lunch each day, Dotty will have snacks
- Warm clothes, these buildings can be chilly in the mornings and on rainy days
- A swim suit, in case it gets hot and you need to play under the sprinkler for a bit

Pick up is at 5:00 pm

### **Selecting A Pattern**

This is the fun part. As you consider a pattern, be sure to take your ability into account. First year quilters must choose from Trip Around the World, Log Cabin or Single Irish Chain. Returning quilters may also choose from additional patterns or call Dotty, they have other patterns they would like to try. Remember some patterns such as the Log Cabin have several variations that create a variety of different designs.

## TRIP AROUND THE WORLD

### **Twin sized Bedspread quilt:**

Body 1 yard each of 6 different fabrics.

Border From that 6, choose your most favorite and get an extra  $1\frac{3}{4}$  yards for the outside border. Choose your second most favorite and get an extra  $1\frac{1}{2}$  yards for the middle border. Choose your third most favorite and get 1 extra yard for the inside border.
