JUNE 15 - 17, 2018

A Fun Filled Weekend of Activities for Youth and their Dogs
A Good Start for a Great Summer

Join us for a *pawsitively* good time at the 21st annual weekend of demos, dog training, and fun. Come learn, meet new people, visit old friends, and just have grrrreat time! Organized by the Rolling Bones 4-H Club.

The University of New Hampshire Cooperative Extension is an equal opportunity educator and employer. UNH, U.S. Dept. of Agriculture, and New Hampshire counties cooperating. Our programs and policies are consistent with pertinent Federal and State laws and regulations prohibiting discrimination on the basis of race, color, national origin, religion, sex, gender identity(including gender expression), sexual orientation, disability, age, marital status, familial/parental status, income derived from a public assistance program, political beliefs, reprisal or retaliation for prior civil rights activity.

Hello Everyone,

I hope you can join us at our 21st annual “All About The Dogs” 4-H Dog Weekend Clinic, organized and run by the Rolling Bones 4-H Club. Our goal is to provide a great fun filled, canine training/themed weekend for youth enrolled in the 4-H Dog Program, or youth interested in joining. You will have the opportunity to learn new things, meet new people, visit old friends, get ready for the upcoming 4-H show season, and of course, have FUN with your dogs. We will expose the participants to activities and training seminars that they might not have the opportunity to see and experience through their local 4-H group. We have had, and hope to continue to have, 4-Hers from all over New England come to this program.

It does not matter if you are a 1st year 4-H participant or an experienced 4-Her in the dog program, we have activities for everyone. This weekend is run entirely by volunteers who donate their time. We are very fortunate to have the support of many canine fanciers including 4-H Alumni, parents, professionals in specific canine-related fields, and 4-H leaders, all helping to make this program successful. Please read the information packet carefully, as things have been added and changed from previous years. There are new rules that may apply to you, so please read and understand the entire packet (guardian and youth).

We gear the weekend towards activities to help prepare a 4-H Dog Program participant for the summer and fall activities, such as fairs and regional shows. This clinic provides opportunities for a 4-H Dog Program member, or person who is interested, for knowledge to participate fully in other opportunities in the 4-H Dog Program.

You may also refer to our website, www.allaboutthedogsweekend.com, for additional information, pictures, forms, and frequently asked questions.

We look forward to seeing you in June. Your participation is key to the success of this weekend.

Sincerely,

Your Weekend Director

Danielle Furness

4-H Alum and Rolling Bones 4-H Leader

Who Is Invited

- Youth 12 & over (age as of January 1st) and their dogs are welcome with or without parent/guardian.
- Youth 8 - 11 (age as of January 1st) are invited, with their dog, but **a parent/guardian must stay with youth under 12.**

We recommend those youth that are not ready to stay overnight participate in the Saturday only activities option. **Note: Males and females are housed in separate dorms/floors; none of the dorms are co-ed or family style.

Come for the weekend, or just come for Saturday, 8:00am to 5:00pm

4-H Leaders are welcome, and encouraged, to attend

Chaperones

Chaperones for those youth under 12 (as of January 1st) are expected to shadow youth and help supervise youth and dog through the program. We want youth to be as independent as he or she can be, as they are responsible for the care of their dogs at all times, but they should be supervised by their chaperones. Only when safety is a concern should a chaperone step in with dogs. Youth should be learning how to manage their dog as independently as they can. Chaperones, please keep a watchful eye on those you are chaperoning. Many youth still need reminding of safety with their dogs and proper care and control.

All Chaperones are to report any concerns of any kids to Weekend Director. We rely on all adults at weekend to help keep watchful eyes on the whole program to ensure safety at all times.

If your youth is over the age of 12, a chaperone is more than welcome to attend with them. Those over 12 have more freedom and do not necessarily need as much direct supervising. A lot of parents of older youth help volunteer and help the weekend by helping in the kitchen, with dorm clean up duties, helping with stations, etc. We are thankful for all the wonderful chaperones who attend and help out to make the weekend happen.

Who is this weekend geared towards?

The purpose of this weekend is to help kick start the summer season for the 4-H dog program participant, and provide educational and fun activities to prepare the 4-Her for other 4-H dog events coming in summer and fall. We want to provide all 4-H dog program participants a chance to be better prepared for their first 4-H dog show, or 4-H dog event, and connect to others involved in the program. We want those who participate in the weekend to gain skills, confidence, knowledge, friends, and have fun to help them succeed in the program throughout the year. We provide programming that is geared towards specific guidelines that are set by the NH 4-H dog curriculum committee, and we focus on specific educational topics based on regional events, which varies each year.

Dog Information

Dogs must be in good health, free of contagious diseases and fleas.

All dogs must have a current health form and a rabies certificate (within the past three years).

Dogs must be up to date on vaccinations 30 days prior to event start, or May 15th.

Proof of Rabies vaccine and Distemper vaccine (DHPP), or titer, must be provided in dog health sheet. Please follow directions on Dog health Sheet to properly enclose proof of vaccinations. You must provide information on whether distemper vaccine is a 1 year or 3 year vaccine on form. Other vaccinations (Bordetella, leptospirosis, Lyme) are optional, but we recommend you consult your vet. Any dog showing signs of sickness or any other disease will be ask to leave immediately. 4-H is not responsible if your dog gets sick at any time during or after participating in any 4-H event.

Dogs need to be under the control of their handlers and not aggressive toward other dogs or people. The dogs stay in the dorms with the youth at night, so crate trained quiet dogs only, please. It is highly recommended that dogs have flea and tick preventative on them.

Your dog will be around many people and other dogs over the weekend. If your dog exhibits aggressive behavior that negatively impacts the experience for others, the weekend directors reserve the right to remove your dog from the program for safety reasons. The committee reserves the right to remove any dog from the program or an activity at any time if they feel it is being unsafe in any way.

We know many may still be working on behaviors with their dogs, and are unsure of how they will behave during the weekend. If you have concerns, please feel free to discuss your situation with the weekend director or your 4-H leader.

In case of a dog medical emergency, parents will be contacted. There are many Veterinarians within a short driving distance, as well as emergency clinics located in Manchester and Concord. A veterinary technician will be staying the weekend who can help with questions or concerns with health of dogs. First aid will be administered then it will be determined if veterinary services are needed immediately.

Participants are responsible for the care of their dogs the entire weekend.

BANDANA PROGRAM

ALL dogs are to be under control at all times, but dogs who need more space will be wearing a special orange bandana that will be provided. When you see a dog wearing this orange bandana proceed with caution when approaching, and speak with the human about the best way to handle a dog-to-dog introduction. If your dog has an orange bandana, it is your responsibility to ensure that you give other dogs space, as well. All dogs are expected to be reasonably well socialized and people/dog friendly. We understand that some dogs are good dogs, but do not react well when another dog invades their personal space. The bandana prevents a child from continuously having to worry that another dog may be getting too close to their dog. The bandana program is for the safety and precaution of all participants, including those dogs wearing them... safety is our top priority! If you need a bandana please make sure you mark this on your application form appropriately.

We stress at all times child must use the bubble rule (see below), no matter if wearing a bandana or not.

“Bubble” Rule – Maintaining Space

All dogs and handlers are to practice the "bubble" rule. All participants with their dogs should keep their dogs within their imaginary bubble surrounding them. Similarly, participants should not let their dogs enter into another dogs "bubble". This helps to ensure a safe surrounding around everyone and their dogs and makes sure participants are always watching their dogs. Child must be able to reasonably be able to control and contain dog with in their bubble by themselves for safety.

Arrival and Departure

The arrival time for weekend participants is Friday night between 6:00 and 7:00 pm. No meal is served Friday night, but drinks will be available. Most families bring a picnic dinner and eat in the dining hall. Sandwiches/Pizza/food can be purchased at New Boston Pizza (603-487-2800) or Dodges Store in New Boston village (1 mile). Please purchase any food before you arrive for the weekend.

Pick up will be Sunday at 11:30 am for weekend participants.

Saturday only participants must be present from 8:00 am until 5:00 pm.

All participants **must** attend the orientation meeting in order to participate in the weekend (Friday evening for weekend participants and Saturday morning for Saturday-only participants). Weekend participants **MUST** attend the Friday orientation meeting at 7pm.

Facilities

The NH “All About The Dogs” weekend is held at the Hillsborough County Youth Center in New Boston, NH. Volunteers and youths stay in two buildings that have all necessary facilities. The youth will be provided with a cot and mattress. Youth will have 24-hour supervision. Boys and girls are housed in separate buildings or on separate floors. A kitchen trailer with dining pavilion provides the eating facilities. Level fields provide space for all sports and other outdoor activities. The T. R. Langdell Arena or the Charles Buck Barn will be used for activities if it rains.

If noted on application, we will try our best to accommodate smaller 4-H groups staying together in dorms, BUT there are no guarantees, as we are often completely full. We always house chaperones/guardians/parents with the youth they are chaperoning (women who are chaperoning male youth or Men who are chaperoning female youth will be housed in the floor right below or above the boys or girls floor that they are chaperoning) but sometimes groups are too large to accommodate all staying in the same dorm per fire codes. Once you arrive, you have predetermined dorm floors assigned to you; Switching is not allowed. Part of the experience is making new friends outside your club, and we hope you make some new friends while you are here!

Transportation

All youth are responsible for transportation to and from the facilities.

Safety

The NH “All About The Dogs” Weekend reserves the right to add additional rules before the start of the weekend. All rules will be posted and reviewed at the beginning of the weekend. These rules are mandatory, and if anyone chooses not to follow them, a parent or guardian will be contacted to pick up the participant. ***If the safety orientation meeting is not attended, we reserve the right to deny you participation into the program.***

Proper foot attire is required. Close-toed shoes must be worn.

Due to safety reasons parking will only be in posted areas.

There is no medical staff in attendance during the weekend. In case of a medical emergency, paramedics will be called and parents will be notified.

If there is an emergency and a parent/guardian needs to remove the child from the program and leave they must sign out with the director.

Participation

If you have signed up for the full weekend, you must attend the full weekend. You may not come and go when it is convenient for you. The weekend is not designed to be a drop-in event. If you do this, the weekend committee reserves the right to deny your application the following year. This is in the interest of safety and security and respect for our volunteers. We all sacrifice something to be present for the entire weekend.

The club has worked hard to provide planned programs for a certain number of participants. If you cannot participate in the full weekend, or the full day Saturday, please give the opportunity to someone else to participate in the program.

All About the Dogs Weekend Rules

- No Dogs in heat shall be allowed at the weekend. Females that come into season during weekend will be asked to leave.
- You must stay in the boundaries of the Youth Center. Once a child has checked in, they must remain on site grounds for the entire program.
- You must stay off of all equipment (agility, flyball, lure coursing, etc.) unless an instructor is present.
- Dogs must be leashed on the Youth Center grounds and in dorm & building areas at all times, except during appropriate training classes. No retractable/"flexi" leashes, please.
- Poop Pick Up - You are responsible for picking up all waste from your dog and disposing in outdoor trash cans that will be provided.
- Buddy System - All Youth must be accompanied by another youth or an adult at all times when out and about on the Youth Center grounds.
- Dogs must be crated at night - See additional dorm rules that will be posted in dorms.
- You must attend all activities on your schedule. Don't be late. Attendance will be taken at all activities.
- Youth's cell phones must be turned to vibrate, or be in the off mode, and not be used during any seminar or planned activity (includes text messaging).
- Parents, out of respect for instructors please turn cell phones to vibrate or silent. Please leave the seminar if you need to answer a phone call.
- Be respectful to ALL youth and volunteers at all times.
- Please report any accidents/incidents to Danielle, your weekend director. All accidents/incidents MUST be reported immediately.
- Respect dogs wearing orange bandanas (see bandana program).
- You are to maintain the care and control of your dog at all times. All dogs must be housetrained, reasonably well socialized, and not aggressive towards people. If your dog has been aggressive towards people, please do not bring them to the weekend.
- No tobacco products, drugs, or alcohol are permitted on the grounds.
- At no time may a parent or guardian remove a participant from the grounds without checking out with the weekend director.
- The Horn - If you hear a car horn blow for over 20 seconds, proceed to the front of the dining hall ASAP, with or without dogs. An emergency roll call will be performed.

NOTE: Additional rules may be added. Any of the above rules may be changed as deemed necessary by the weekend committee. The weekend committee will determine the interpretation of all the 4-H Dog Activity rules.

Scholarships: Unfortunately, the All About The Dogs Weekend does not have scholarships available at this time. We strive to keep the cost as low as possible for all participants.

>>>>Check with your local 4-H offices to see if there are scholarships available to help you with the cost.

NOTE: If you have received a scholarship, please follow the directions on the scholarship for redemption. The scholarship coupons/vouchers won at fairs often need to be sent to the county extension office it came from, and not us. The office will then send a check to us, but they must have these vouchers in hand, sent from you, before they will make payment to us.

>>>>We suggest club fundraisings to help defray the cost of your club members to participate.

New Hampshire 4-H Event Youth Code of Conduct

As a participant in a New Hampshire 4-H event, you have the responsibility of representing the New Hampshire 4-H program to the public. You are expected to conduct yourself in a manner that will bring honor to you as well as to 4-H. To do that, you will need to:

- Attend all sessions in the planned program and participate fully.
- Follow established hours and room rules. You are responsible for knowing the rules of your events.
- Dress appropriately for each event (follow dress code when given).
- Use language and manners that is appropriate for a 4-H event. You are responsible for knowing what language and behavior is appropriate.
- Be in the assigned program area at all times (for example: workshops, dorms, motels, etc.)
- Be respectful of all people in public or non-public areas.
- Know that the use of illicit drugs, alcohol, tobacco and fireworks are prohibited at all 4-H events.
- Treat program areas, lodging areas and transportation vehicles with respect and care. You will be responsible for any damage, theft, or misconduct in which you participate.
- Help other people in your group have a pleasant experience by making every attempt to include all participants in all activities.
- Live up to your highest expectations for yourself so you can return home proud of who you are and what you have done.

If you are unable to conduct yourself within the guidelines listed you may expect:

- To explain your actions to the adults in charge
- To accept the consequences of your actions
- To possibly be sent home immediately at your own expense
- To possibly be excluded from participation in a future 4-H event or trip.
- To have the adults in charge notify your parents or guardians, Extension personnel and others to see that the actions taken, are appropriate for all concerned.

I _____ (Print Name) have read the New Hampshire 4-H Code of Conduct and agree to live up to the expectations. I realize my failure to do so could result in a loss of privileges during the event and/or future 4-H events. _____ (Youth Initials)

As the parent or guardian, I have read the New Hampshire 4-H Code of Conduct. I give permission for the above named youth to participate and will support the adults in charge in the performance of their responsibilities to see that the appropriate behavior is maintained.

4-H Activity Adult Permission and Release Form for participation in a 4-H Activity of UNH Cooperative Extension

Name will be participating in

on Date(s) to Description of this activity and transportation methods are as follows:

I understand the responsibilities, hazards, and dangers inherent in participation of this activity, including transportation. I understand the Code of Conduct (see below). I hold harmless the University of New Hampshire, its trustees, officers, agents, employees, and volunteers from and against all claims, demands, actions, and causes of action for damages which may be sustained by the above chaperone/participant or anyone else. This includes personal injury, death or property damage, whether or not the result of negligent acts or omissions on the part of the University of New Hampshire. If the above named youth's participation in the activity causes damage to the property of UNH Cooperative Extension, we agree to pay the University for such loss.

Yes No I give permission for the use of quotes/photos of my child or myself: in the newspaper, newsletter, UNH Cooperative Extension web sites, or in other ways to publicize 4-H events or activities.

New Hampshire 4-H Event Adult Code of Conduct

As a chaperone/participant in a New Hampshire 4-H Event, you have the responsibility of representing the New Hampshire 4-H Program to the public. You have the responsibility to be a positive role model for youth and partner with other adults to ensure youth participate in a positive manner according to the Code of Conduct.

To do that, you will need to:

1. See that you and your delegates adhere to the schedule of events as developed by others, yourself and/or UNH Cooperative Extension.
2. Follow and have your delegates follow the established rules for the event including curfew, quiet hours.
3. Dress in a manner reflecting your leadership role with UNH Cooperative Extension.
4. Act as a model for your activity participants including using appropriate language.
5. Be in the assigned program area at all times (for example: dorms, motels, etc.)
6. You will need to refrain from the use of illegal drugs, alcohol, tobacco and fireworks. Use of these substances is prohibited at 4-H events.
7. Model respect for your NH 4-H participants, other persons and activities officials.
8. Instruct your participants to treat program areas, lodging areas and transportation vehicles with respect and care. They/you will be responsible for any damage, theft, or misconduct in which they/you participate.
9. Help all persons in your group have a pleasant experience by making every attempt to include all participants in all activities.
10. You are responsible for the NH youth participants to whom you have been assigned. You should know where they are and what they are doing at all times and know that they are supervised by an adult.

Those who find themselves unable to conduct themselves within the guidelines listed above may expect:

1. To work closely with Extension personnel and others to see that the actions taken, in case of unacceptable behavior, are appropriate for all concerned.

I have read the New Hampshire 4-H Permission and Release/Code of Conduct form and I agree to live up to the expectations. I realize my failure to do so could result in the loss of opportunities during the event and in the future.
