

Michael A. Gregonis, 860-642-7239, michael.gregonis@ct.gov.

Michael is a certified Wildlife Biologist with the Connecticut Department of Energy and Environmental Protection, Deer, Small Game and Wild Turkey Management Programs. He received a B.S. degree in Biology from Eastern Connecticut State University and a M.E.S. degree in Environmental Studies from the Yale School of Forestry and Environmental Studies. Michael also worked for the Illinois Department of Natural Resources as a Forest Wildlife Project Manager from 1991 to 1995 on the Ruffed Grouse and Tree Squirrel Programs. Current research activities focus on developing new methodologies to determine annual wild turkey productivity, wild turkey/human interaction in suburban areas, dispersal and survival of fawns and oak mast research.
