June 7, 2018, 3-7 pm

Grower's Meeting at Brookdale Fruit Farm

Using Plastic Mulch & Irrigation

Join us to learn more about the use of retractable low tunnel flex systems, plastic mulches and irrigation systems and how they work together to contribute towards good Integrated Pest Management.

For persons with disabilities requiring special accommodations, please contact george.hamilton@unh.edu at least 7 days prior to the event. Given ample time, we will make any reasonable effort to make accommodations.

Brookdale Fruit Farm 38 Broad Street, Hollis, NH 03049

Equipment will be demonstrated.

Several industry speakers will be featured.
