Dear 4-H Leaders, Members and Families,

It’s Time! Coös 4-H County Activities Day (CAD).
The big event will be held on Saturday, March 21, 2020 at Milan village School located at 11 Bridge St. Milan, NH.

As you probably know, County Activities Day is designed to provide 4-H members with an opportunity to share their project work in a friendly, supportive atmosphere. At the same time youngsters gain valuable experience in a public speaking situation. It’s a great opportunity to focus on the important life skills of communications and understanding self. Of course, another purpose of the day is to pick those 4-H'ers (age 8 & older) who will represent Coös County at State Activities Day (SAD) on Saturday, May 30, 2020 in Manchester, NH.

The Event Criteria is a summary of the rules which are used at SAD. Coös County 4-H Activities Day will also follow these guidelines. You will note that the number of exhibits eligible for SAD per county is limited. Please share all of this important information with the leaders who will be helping members prepare for County Activities Day. All of these resources and more are available on our 4-H website: https://tinyurl.com/un9tw4f

Please be sure to read the event criteria thoroughly. There are changes!
Please remember that member age requirements have changed!

It is important to carefully study and follow the instructions on the Poster & Photography Contest Rules & Entry Forms (ie: size does matter). 4-H Members are limited to a maximum of three poster and three photography entries per member. Please be sure to notice the poster themes and the related restrictions.

Remember that we will be presenting rosettes to all 4-H members who qualify for State Activities Day and that all other participants will receive a green participation ribbon.

Registration for this event is open from Friday, January 27, 2020 until Friday, March 6, 2020 on 4-H-Online. Login to your family portal and select My Member List (top right). then scroll to the bottom and select the name for the person registering under Register A Member in An Event and select Coös County Activities Day, then complete the form.

The University of New Hampshire Cooperative Extension is an equal opportunity educator and employer. University of New Hampshire, US Department of Agriculture and NH Counties cooperating.
Coös County Demo Day

Fashion Revue is scheduled for March 14, in Grafton County. Coös County is invited to participate. More information is here: https://extension.unh.edu/events/4-h-fashion-revue-and-textile-event.

County Activities Day will be held at the Milan Village School, Bridge St., Milan. We will start at 9:00 am and continue until around 2:00 PM. The Coös County YLT will offer lunch options as a fundraiser for upcoming events.

We are looking for adult volunteers as well as responsible youngsters to help in various capacities. Please make an extra special effort to recruit folks to help serve as judges! What better way for folks to learn about and support 4-H. Good candidates can be almost anyone -- a teacher, clergy, neighbor, reporter, legislator or town official, spouse, senior citizen, etc. No special skills are needed because we will be conducting a training session for judges on the morning of the event.

If you have any questions, there is a good chance that the answer is located on the Event Criteria sheet. If not, please feel free to contact me.
We hope to see you all at County Activities Day March 21!

Sincerely,

Christine Whiting
Coös County 4-H Program Manager

Entries DUE March 6 on 4HOnline. If you need paper forms, PLEASE contact the 4-H office.
