It is extremely important that at least one parent or guardian be present at the completion of the show day. Those who qualify for the State Horse Show will meet with the coordinator, Joanne Gelinas, to go over important information and sign paperwork, which needs to be sent out immediately following the show. The exhibitor is solely responsible for completing paperwork on time.

All paperwork sent in, with the exception of the required photographs, **MUST** be a **PHOTOCOPY**. **PLEASE DO NOT** give us your originals, as you may not get them back.

You must enter at least two (2) performance classes, but no more than three (3), appropriate to your seat and division. If you choose three performance classes, only your best two performance scores will count toward your final score. There is no penalty for only choosing two, but both scores will count towards your total score.
