- Recreational economy
- Community based resource stewardship

What We Do...

The Community & Economic Development Program helps communities achieve long-term well being by building their capacity to lead change.

We do so by implementing community processes that lead to collective vision and civic action, training people to lead change, and helping communities steward and grow their economic base.

Some Impacts...

Close to 2,000 New Hampshire citizens engaged

325 people engaged in community plans and projects

Over 200 people take on new leadership roles...

13 community-based plans and projects underway
