

**Lauren Banker**  
**Public Affairs Manager**

Lauren coordinates many aspects of the university's county and regional affairs activities in order to further the university's reach. She works to enhance the awareness and reputation of the university among elected officials and citizens in the state, while providing coordination and administrative support for Extension's county operations.

**What We Do...**

We work to enhance the awareness and reputation of the university.

We make sure our supporters and stakeholders know how much we **need** and appreciate **their support!**

**Cailand Sweeting**  
**Annual Giving Officer,**  
**COLSA and Cooperative Extension**

Cailand works with staff and faculty on fundraising strategies and solicitations and meeting with alumni, parents and friends to educate them on all the incredible things happening at UNH.
