We Aint Kidding...Yet

Goat Pre-Breeding Health Check and Breeding Basics Workshop

Date: October 21, 2020 **Time:** 6-7:30pm

Location: Auburn Star Farm, 152 Auburn Star Rd,
Lunenburg VT 05904

Limit 10 participants

Pre-registration is required. This workshop will be outside, so dress appropriately.

Come learn about goats! What you need to know before you breed that Doe.

Part 1: Pre-Breeding Health Check Up

Chris Whiting (UNH Cooperative Extension)

Part 2: Breeding Basics

Sam Russo (Auburn Star Farm)

Please note that UNH is adhering to the following protocols for all participants:

- Cloth or disposable face coverings must be worn. UNH will not provide face coverings –you must bring your own.
- Maintain social distancing guidelines of a minimum of six feet of distance between participants.
- Equipment, device and supply sharing are not permitted.
- Maintain hygiene practices
- A temperature check, with a no-touch thermometer, may be administered upon arrival

Additionally, attendees are asked to fill out this [survey](#) 90 minutes prior to the event. If not completed, we will fill it out when you arrive.
