## The Garden Center Critique & Merchandising Guide

*a practical handbook for evaluating and improving your operation*

Packed with information and photographs from 12 of New England's successful garden centers, *The Garden Center Critique & Merchandising Guide* will help you analyze your marketing practices, scrutinize your operation through the eyes of your customers, improve efficiencies and develop innovative marketing strategies that will differentiate you from your competitors.

The *Guide* contains:

- A 160-question pullout critique to help you evaluate every aspect of your operation.
- A detailed information guide for conducting the critique, containing dozens of marketing tips and photos that illustrate creative marketing principles you can begin using today.
- Guidelines for surveying your customers, a sample survey and instructions for interpreting the survey data.
- Pull-out plans for a garden center design, plus sun and shade perennial display gardens.
- 

*Cost for this unique and practical publication is \$15.50, plus \$2.50 for shipping and handling.*
