Financial management programs and publications are available to the public through educational workshops, school programs, and learn-at-home series.
Maximizing Your Personal Financial Resources

Financial management programs and publications are available to the public through educational workshops, school programs, and learn-at-home series.

UNH Cooperative Extension is committed to helping adults and youth learn to better manage personal financial resources, decrease debt, increase savings and plan for the future.

For Adult Audiences -

**Managing Money in Today’s Times**
- Audiences keep current on consumer laws and savings strategies that make achieving present and future income needs possible. (WS)

**Managing Money in Tough Times** –
Participants discover strategies to manage money, reduce stress and find dollars they didn’t think they had. (WS)

**Credit Check Up** – Participants assess credit worthiness, learn how to read a credit report, understand credit scores. (WS)

**PowerPay ©** – online computer program to create repayment plan to reduce debt. (O)

**Making Money Work For You** -
A five-part workshop series for people just starting out or struggling paycheck to paycheck covering goal setting, credit, insurance, stretching resources, spending choices and making a spending and savings plan. Cost is $12/person or couple. (S)

**Take The Road To Financial Security In Later Life** - Participants increase knowledge of issues regarding later life financial security; assess preparedness for later life financial security, then create a plan of action to meet personal needs and goals. (WS)

**Don’t Get Crushed By Debt** –
Manage consumer debt and increase your savings. Web site version adapted for needs of farm families also available. (WS)

**Managing Money Wisely** - A four session program applying effective habits of successful money managers to personal finance education for those involved with the correctional system. (S)

**Getting A GRIP on Your Money** -
a seven-part newsletter series mailed to your home on a regular basis. Newsletter topics cover setting goals, implementing a financial record keeping system, understanding credit and insurance, and developing and following a spending/savings plan. Subscription cost is $8.95. (LH)

**Investing For Your Future** – Online self-study course designed for first time investors or individuals selecting among retirement plan contribution options (ex. IRA or 401(k)). (O)

For Youth Audiences -

**High School Financial Planning Program (HSFPP)** –
Curriculum designed for 9th-12th graders. Includes planning, budgeting, credit, insurance, investing, banking, career planning (Instructor Manual and Student Guide; web support). (S)

**Lets Talk About Money** –
designed for 8-9 year olds. Appropriate for parents, 4-H Clubs/Youth programs, classroom, after-school programs. (S)

If you’re interested in attending a workshop or receiving a newsletter or fact sheet, or would just like more information, contact your county office. For credible information you can use every day from the oldest and largest network of universities, ask the experts at www.eXtension.org/personal_finance.
