New Hampshire Supplement to the New England 4-H Horse Show Rules and Guidelines

INTRODUCTION

These rules have been developed to serve as a basic guide for local, county, and state 4-H horse shows as well as for those classes in open shows limited to 4-H membership entry. This supplement is meant as a supplement to the New England 4-H Horse Show Rules and Guidelines and NOT as a stand-alone document. Rules, classes and activities fully addressed in the NE Rules are not included below, unless there are additional/conflicting practices in NH.

There is no intent in the publication of these rules to suggest that all classes listed should be held at any show, nor is any limitation implied of shows to only those classes listed. It is suggested that 4-H shows adapt these rules to govern the operation of these shows.

It is the intention of UNH Cooperative Extension that 4-H Youth Development programs be inclusive programs which include all interested youth. A sincere effort has been made to provide 4-H opportunities in and out of the club for all youth.

The 4-H competitive horse show welcomes youth of all abilities. Each exhibitor must be capable of starting, stopping, and turning his/her horse at a walk and a trot. This rule is established for the safety of all concerned. Side walkers and other forms of ring assistance necessary to allow for full participation by a 4-H member are permitted and encouraged.

When youth are assigned to the appropriate horse show class and the youth with disabilities are appropriately supported, participating youth can compete on a level playing field.

Show classes exist for youth of varying abilities. Decisions regarding appropriate class placement must be determined by a consensus of the youth involved, their County Extension Staff, their leader, instructor, and parent/guardian. This group will also determine that delegates qualifying for the State 4-H State Horse Show or the Eastern States Exposition 4-H Show have reached the appropriate level of achievement for their ability and that both the horse and exhibitor can safely perform at the next level.

OBJECTIVES FOR THE NEW HAMPSHIRE 4-H STATE HORSE SHOW

A. Help 4-H Club Members:
   1. To help 4-Hers become more effective community members and to develop leadership skills.
   2. To develop teamwork and sportsmanship.
   3. To become aware of opportunities within the horse industry.
   4. To learn and better understand new developments and methods in agriculture as related to the horse industry.
   5. To obtain wholesome competitive experience on a broader level above and beyond those available in the individual counties.
   6. To exhibit animals they have cared for and carried in project work over an extended period.
B. To make the general public more aware of the skills and accomplishments of 4-H horse club members.

RULES AND REGULATIONS

Qualifying Shows

A county may have one or more 4-H shows to qualify members for the State 4-H horse show. Two or more counties may combine resources to hold a qualifying show. All county 4-H horse project members must be notified at least two weeks prior to the first show as to which ones are qualifying shows. All members should be encouraged to participate.

1. A qualifying show is one in which only 4-H members can compete or one that offers classes exclusively for 4-H members. A member must qualify in the county in which he is enrolled; however an exception will be made for a county where there is inadequate enrollment.

2. All county qualifying shows must be held early enough to select riders for the state show and all state show qualified entries, including alternates by the entry deadline date specified on the state show entry.

List of State Show Contestants

A list of qualified individuals and alternates to the NH State 4-H Horse Show must be approved and signed by the 4-H County Staff or designated volunteer and sent to the superintendent of the state horse show prior to the entry deadline. Age requirement for exhibitors is 12 years as of January 1st of the current program year; stable managers age 10-11 are allowed with parent or guardian remaining on the grounds for the duration of the show.

Participants are expected to walk, trot and canter safely in a group in a show setting unless entered in a division that does not require the canter (Walk-Trot, In-hand, Driving). Walk-trot participants may enter the Novice or Open Walk-Trot Divisions. Novice Walk-Trot is for those who have not mastered the canter/lope in a group show setting. Open Walk-Trot is for those showing walk-trot for ANY reason.

Number of Entries

As of this writing, each county may send as many qualified delegates age 12 and up as available. Counties must assess the ability of all delegates to safely control their animal in a busy show environment. A quota system may be enacted if enrollment warrants.

Eastern States Exposition (Big E) Delegates

Delegates to Eastern States Expo will meet the last day of the state show immediately after closing ceremonies/awards. If the entry is not received at this time, the entry will automatically be canceled and the first alternate accepted. Intent to show forms deadline for eligibility to Eastern States is April 1. Big E delegates must be a minimum of 12 years old as of January 1st of the current year.
Eligibility of Members and Animals for 4-H Shows and Competitive Activities

1. Members must be enrolled in the horse project and be a member in good standing in a club or as an independent member. Members 8-18 as of January 1\textsuperscript{st} of the current year are eligible to participate in a 4-H Horse Show/class. All 4-H participants will participate in the divisions appropriate for their development. Reasonable accommodations or assistance at an event or activity, if needed, will be provided by an appropriate person.

2. Anytime the ages of members are taken into consideration, the ages will be calculated as of January 1\textsuperscript{st} of the current program year. The two main divisions will be juniors, ages 8 through 13, and seniors, 14 and over. The Junior division may be further split junior age 8-10; Intermediate age 11-13.

3. The equine a member intends to use as their project animal and in competition must be designated on a horse intent to show form (paper or online) by April 1\textsuperscript{st} for ESE. There is no Intent to Show requirement for County or State shows. These forms are available from the county Extension office in each county and via the 4hOnline enrollment system. A photo of each side of the animal (and a description of the project animal on the paper form) is required.

4. A member must show the same animal at the progression from state to the Eastern States Exposition. If the horse that competed at the state show cannot compete at the next 4-H show due to unsoundness or death as verified by veterinarian, the 4-Her may show another horse listed on the member’s intent to show form 4hOnline animal registration prior to April 1 for ESE, upon the approval of 4-H State Staff.

5. A member must manage his/her animal 50% of the time within his/her physical and mental capability. This includes feeding, grooming, exercising, training, stall management and access to use.

6. Members may share a horse if each member does work-equivalent to a minimum of 50% care of one horse (within his/her or her physical and mental capability). This includes feeding, grooming, exercising, training, stall management.

7. Up to two members may share a horse at the State 4-H Horse Show, however, they need to be in a split division or different age divisions in order to fully participate. Horse sharing is not allowed at the Big E.

8. Horses may not be leased, rented or borrowed from private or professional riding stables or owners for the sole purpose of showing, and may not have been trained by professionals within 30 days prior to competing in 4-H shows. (A special class within the county show may be an exception.)

Equestrian Helmets and Other Protective Equipment:

All participants in any UNH Cooperative Extension or 4-H Youth Development sponsored equestrian event or activity will wear a properly fitted equestrian helmet which carries ASTM/SEI approval with secured chin harness properly fastened at all times when mounted on an equine or in a vehicle being pulled by one or more equines. This includes participation in events representing 4-H (such as parades or exhibitions).

It is the responsibility of the rider or parent or guardian of a minor participant, to see to it that
the headgear worn complies with such approved standards and carries the proper seals, has not yet reached its expiration date, is less than 5 years since date of manufacture, and is in good working condition and undamaged from impacts. The University of New Hampshire Cooperative Extension, Organizing Committees and officials are not responsible for checking headgear worn for such compliance. UNH Cooperative Extension makes no representation of warranty, expressed or implied, about such headgear and cautions riders that serious injury or death may result despite wearing such headgear, as no helmet can protect against all foreseeable injuries in equestrian sports.

The approved helmet is required for all participants, all mounted and driving classes, all seats, all ages.

The approved helmet requirement supersedes all hat and helmet requirements as stated under appointments in the following set of rules and regulations and rules put forth by other governing bodies.

Riders/Drivers/Handlers may use or wear without penalty, personal protective gear, such as but not limited to, body protection vests, shin guards, mouth guards, etc.

Helmets are allowed but not required in In-hand classes (including Fitting and Showmanship and In-Hand divisions). Helmets are required in any In-hand class requiring jumping.

Youth with documented disabilities will not be penalized for using special equipment or special assistance/ reasonable accommodations to perform in a class. Youth with documented disabilities may receive reasonable accommodations in the form of modified testing.

**GUIDELINES**

**Insurance Information for Horse Shows, Clubs, Events**

1. An accident year-round insurance coverage plan is available through some insurance companies to members and leaders of organized 4-H Clubs for a minimal fee. It is suggested that this insurance be purchased for all 4-H Horse Clubs. The show management should be acutely aware of the necessity for adequate insurance coverage for any liability arising from incidents which could occur at horse shows.

   a. In addition to the actual coverage for the show itself, the Show Committee should require that all independent contractors, including concessionaires, be required to provide evidence that they have Worker’s Compensation Insurance and Public Liability in force for the duration of the show or event.

   b. It is strongly suggested that participants and parents/guardians complete a liability waiver prior to participating in any equine activity. A sample liability waiver is included below.
Release of Liability Statement for Shows and Events: Adjustable

I understand the risks, hazards and dangers inherent in this equine activity including the possibility of injury or death. I agree for myself and my heirs to release and hold harmless, defend and indemnify the University of New Hampshire, UNH Cooperative Extension, its trustees, officers, agents, employees and volunteers and this activity’s judges and stewards from and against all claims, demands, action and causes of action as a result of personal injury, death, or property damage sustained by me or others as a result of my participation. I bring my animals at my own risk and I am aware of the hazards associated with participation and with the handling of equine animals. I will be financially responsible for physical or financial damage done by myself or my animals to another person or property.

Walk-Trot and Divisions for Novice and Disabled Participants

Show classes exist for riders of varying abilities. 4-Hers are expected to participate in classes at the appropriate level for which they are proficient.

1. Novice divisions including novice walk-trot, novice walk-trot-canter and novice classes within other divisions are not for experienced participants with inexperienced horses or for animals with soundness or training issues.

2. For safety reasons, UNH Cooperative Extension 4-H Youth Development programs do not offer competitive horse show classes for persons requiring a lead line. Some classes permit side walkers and/or other assistance as necessary for youth with documented disabilities. Large classes may be separated for safety reasons. Riders with side walkers should be placed in a “side walker only” class.

Show personnel may want to add classes as appropriate for the walk trot participant. Classes could include equitation, pleasure, trail, and games or other classes as appropriate. Classes
may be divided or combined for safety considerations or for instances that best meet the needs of the sponsoring show

**Split Classes**

1. The show committee has the right to cancel or combine classes.
2. It is recommended that classes be split depending on the size of the ring and the abilities of the participants. The show committee has the right to split any class where size or rider’s abilities endanger the exhibitors in that class. Splitting should be done before the exhibitors enter the ring. Classes may be split for a portion of the class (for example to canter or hand gallop)

**Uniformity**

It is recommended that there be uniformity between classes and that a scorecard, including the judging criteria from the rulebook for the class to be judged, be given to the judge for guidance before the class starts.

**Classes**

This section is for classes not included in the NE 4-H Horse Show rulebook or when the NH rules differ from the NE rules. Please see NE 4-H Horse Show Rule Book for a more complete listing of classes.

Explanation of Danish System of Scoring

1. The Danish System is designed to individually score contestants on the merits of their performance. Each individual competes against the criteria designated in the rulebook under “class description”. Competitors DO NOT compete against each other so much as they compete against a theoretical perfect performance. The judge must determine what percent of perfect the competitor performed.

2. Differences between Fitting & Showmanship, Equitation and Performance Classes.

Fitting and Showmanship -A perfect score is 100%. If the contestant performed 90% perfect or better (85% with two judges), he/she scores a Blue Danish ribbon. If his/her score is between 80-89%, he receives a Red Danish ribbon (70-84% for 2 judges). 79% or below (69% for 2 judges) scores a White Danish ribbon. The actual numerical score the judge awards each competitor is used as the show point score for that class.
Equitation Classes: Equitation classes have a 100 point maximum score. The judge must determine at what level the competitor performed. If the judge determines the rider performed 90% perfect or better, the rider scores a Blue Danish ribbon and 90 points (see paragraph below regarding distribution of 91-100 points). An 80-89% perfect ride scores 60 points and a Red Danish ribbon. 79% perfect or below scores 30 points and a White Danish ribbon.

Performance Classes - Performance classes have a 50 point maximum score. The judge must determine at what level the competitor performed. If the judge determines the rider performed 90% perfect or better, the rider scores a Blue Danish ribbon and 45 points (see next paragraph regarding points 46-50). An 80-89% perfect ride scores 30 points and a Red Danish ribbon. 79% perfect or below scores 15 show points and a White Danish ribbon.

Blue Danish Ribbon Breakdown - The judge may award blue Danish winners individually with a score of 91-100 (Equitation) or 45-50 (Performance). (Example: Rider one performs near perfect, the judge awards him/her a Blue Danish ribbon and a score of 49. Rider two makes a small error and also receives a Blue Danish ribbon and a score of 48. All riders achieving blue Danish ribbon standard, but not earning bonus points will receive 90/45 points. This method awards the very top performers with extra show points. The judge may award several riders with the same show point score. NOTE: a judge may decide to give no pointed blues, several pointed blues, etc. They do not need to be consecutive – for example a judge may award a second place blue and a fifth place blue but no other pointed blues.

Figure 8
A. Appearance of Animal 40

1. Condition 1
   5 a. Animal should have sufficient flesh, smooth coat, firm muscles, and be usably sound.

2. Grooming 1
   5 a. Coat should be clean and free of stains. Hair dressing and powder, if used, should be used sparingly.
   b. Mane and tail should be clean and free of tangles.
   c. Hooves should be trimmed and shaped to enable the animal to walk and stand naturally. If shod, shoes must fit and not show undue wear. Clinches should be smooth. Hoof dressing is permitted.

3. Trimming and Braiding 5
   a. Excess hair should be clipped or trimmed from the legs, fetlocks, and around the head. Horse may be totally clipped or not, as exhibitor wishes.
   b. Braiding, if used, should be neat and suitable for the type of horse.

4. Tack 5
   a. Weanlings must be shown in a halter to protect the mouth for future bitting. Because of the custom in certain breeds, Western horses may be shown in halter with lead of proper length to insure safe handling. All others are to be shown in a bridle for better control and improved appearance.

B. Appearance of Exhibitor 10

1. Clothes and person should be neat and clean. Suitable riding clothes are preferred. Gum chewing will be penalized.

C. Showing Animal in the Ring 50

1. Leading 15
   a. Enter leading the animal at an alert walk around the ring in a counterclockwise direction. Walk on animal’s left side near its shoulder holding the reins (or lead strap if a weanling) in the right hand 4-12 inches from the bit (or halter). The remaining portion of the reins (or strap) is held in the left hand.
   b. Animal should lead readily at the walk and trot. This should be done briskly as the judge directs, with the animal’s head carried at a height appropriate to the type or use of horse. If working individually, the animal should move on a straight line away from and back to the judge unless otherwise directed.
   c. When making a turn, the horse should be turned to the right - the exhibitor walking around the horse.
   d. Never crowd the exhibitor near you. When behind another animal, maintain a horse’s length apart (8-10 feet). When lined up side by side, allow plenty of space between you and the animal next to you.
   e. When changing position in lines: 1) Lead animal straight forward far enough so as not to disturb the horse on either side of you before making a turn. 2) Return to the line by moving around the end of the line and leaning forward either to your original position or to the place directed by the judge. 3) Try to avoid leading your animal between the judge and the animal he is observing.

2. Posing 15
   When posing animal, stand toward the front
and facing the horse but always in relation to the position of the judge.

b. The safe areas for the showman are on either side of the horse at the side of the neck or shoulder but not directly in front of the animal. The horse is posed according to type and use, i.e. the American Saddle Horse in the show poses with feet slightly spread and head up, and the Hunter with the head in a natural position and not spread. One hind foot may be slightly in advance of the other.

c. Face animal upgrade if possible with its front feet on a slight incline.

d. Never stand between your horse and the judge.

He should have an unobstructed view of your animal.

e. When posed, try to keep your animal still.

Support your horse with your hand on his opposite shoulder when the judge picks up a foot or attempts to push him off balance. Always regain your position quickly and without fuss.

f. When the judge is observing other animals, let yours stand quietly if posed reasonably well.

g. Do most of the showing with the reins (or lead strap). Never kick your horse's legs into position. Proper use of hands, voice, or whip is accepted.

h. When working individually, pose the animal so that the judge has a side or 3/4 view; always keeping in mind the slope of the ground and the correct way of turning in that order.

i. Show your animal at all times, not yourself.

Overshowing, undue fussing and maneuvering are very objectionable.

3. Showing Animal to Best Advantage

10

a. Quickly recognize any conformation faults of the animal you are showing and show it to overcome these faults. Exhibitors may be asked to change horses.

4. Poise, Alertness, and Attitude

0 a. Keep an eye on your animal and be aware of the position of the judge at all times. Do not be distracted by persons and things outside of the ring.

b. Respond rapidly to all requests from the judge and officials.

c. Be courteous and sportsmanlike at all times. d. Keep showing until the entire class has been judged and the winners have been announced.

Total

10

Stallions may not be shown except in the year in which they were foaled.

Exhibitors must prepare their own projects for any Fitting and Showmanship Class.
