

## Canner Pressure Gauge Testing

**UNH Cooperative Extension will test dial canner pressure gauges for FREE.** Weighted gauges do not need to be tested.

### To have your dial gauge tested:

Call to make an appointment with:

Alice Mullen: 679-5616, Rockingham County

Deb Maes: 787-6944, Grafton County

Ann Hamilton: 447-3734, Carroll County

Rachel Maccini can also test them at the Education Center  
329 Mast Road Goffstown, NH 1-877-398-4769

Testing time takes 10 minutes

Gauges can also be mailed to Alice Mullen. Wrap in bubble wrap and send in a small box or padded envelope to:

UNH Cooperative Extension  
Rockingham County Office-Attn: Alice Mullen  
113 North Road  
Brentwood, NH 03833-6623  
Please include return address and return postage.
