**Stratham Fair Baking Competition – Maple Cream Cheese Pound Cake**

This recipe was submitted by Lucy Rhodes of Auburn. Lucy is a 4-H alumni volunteer leader who has organized a couple clubs in Rockingham County. Other 4-H activities benefitted from Lucy’s guidance such as our Summer Happenings program, Kids on the Block puppets, and Spaces activities. She has volunteered at Stratham Fair and the 4-H Auction, and many other special 4-H events over the past 25 years.

**Maple Cream Cheese Pound Cake**

- 8 ounces cream cheese, softened (1 Cup)
- 3/4 pound butter, softened (1 1/2) cups
- 3 cups sugar
- 6 eggs
- 1½ teaspoons maple flavoring
- 3 cups flour
- 1 teaspoon salt

Preheat the oven to 300 degrees F. Grease and flour two 9x5 inch loaf pans.

In a bowl of an electric mixer, beat the cream cheese and butter on medium speed for 2 minutes. Add the sugar very gradually and continue beating on high for 5-7 minutes, or until the mixture is very fluffy. Add the eggs, one at a time, beating well on low speed after each addition. Mix in the maple flavoring. Gradually add flour and salt, mixing very well on low speed. Pour the batter into the prepared pans. Place in the oven along with a large heat-resistant cup filled with boiling water.

Bake for 1 hour and 30 minutes. Test with a toothpick. Pound cake is done if toothpick comes out clean when inserted in the center of the cake. Cool completely. The cake will rise, fall, and crack during baking, that is all right. You can cut the cake into serving portions and freeze future use. Yield: each loaf, 10-16 serving.

Submit one loaf on a paper plate in a re-sealable zip type plastic bag. Bring to the Lynn Garland Memorial 4-H building during, Wednesday, July 19th, between 3-5 pm.

This recipe has been a classic for years: moist, easy to make, and liberally studded with juicy berries. It’s the perfect way to make use of your berry-picking bounty, but it can be made at any time of the year with frozen berries if you just can’t wait for a forkful of summer.

Streusel Ingredients

- ½ cup sugar
- 1 teaspoon ground cinnamon
- ½ cup King Arthur Unbleached All-Purpose Flour
- 1/8 teaspoon salt
- ¼ cup (4 tablespoons) butter

Cake Ingredients:

- 2 cups King Arthur Unbleached All-Purpose Flour
- 2 teaspoons baking powder
- ½ teaspoon salt
- ¾ cup sugar
- ¼ cup (4 tablespoons) butter
- 1 large egg
- 1 teaspoon vanilla extract
- ½ cup milk
- 2 cups fresh or frozen blueberries

Directions

Preheat the oven to 375°F. Lightly grease an 8x8 inch square pan, 2 inches deep. To make the topping: Mix the sugar, flour, cinnamon, and salt in a small bowl. Cut or rub in the butter with the side of a fork, two knives, or your fingertips until it reaches a crumbly state. Set aside.

Blend the flour, baking powder, and salt together in a medium-sized mixing bowl. In a separate bowl, beat together the sugar, butter, egg, and vanilla. Alternately add the milk and the flour mixture to the sugar/butter mixture, ending with flour. Add blueberries. Stir only enough to blend. Pour the batter into the prepared pan. Sprinkle the topping over the batter.

Bake the cake for 40 to 45 minutes, or until a toothpick or knife inserted into the center comes out clean. Remove the cake from the oven, and set it on a rack to cool for 10 minutes. Serve right from the pan. Or, to transfer to a serving plate, loosen the sides with a knife or spatula. Holding the pan in your left hand, gently tip the cake out onto your right hand, removing the pan, and gently right the cake onto a serving dish.

Submit six 2” x 2” pieces on a paper plate in a sealable plastic food storage bag and an open bag of King Arthur Flour or submit a UPC label from bag of King Arthur Flour. Bring to the Lynn Garland Memorial 4-H building at Stratham Fairgrounds, Wednesday, July 19th, 3-7 p.m.
