

### NH 4-H Loanable Animal Science Kits

Animal Science Kits (Ohio kits) are a useful resource for leaders and other volunteers. Some kits have been funded by grants from the 4-H Foundation of NH (indicated by yellow highlights); others have been purchased with county funds or other grants. Below is a list of kits available for loan. Please contact the county directly to see if the kit is available on the dates you are looking for. Merrimack kits are in high demand, but may be loanable for short-term events.
