County Impact Examples

Two UNH student interns engaged with the Town of Wolfeboro to assess opportunities to strengthen Main Street businesses by better linking trails and other natural assets to the downtown.

21 farms or other agricultural businesses received on-site support from Extension specialists in topics including crop production, marketing, pest management and soil health. 76 workers were trained in safe food handling.

Forestry and Wildlife staff advised 184 woodlot owners, resulting in improved management on 6,346 acres of forestland. Water quality was monitored at 122 lake sites in Carroll County.

In Carroll County, 61 volunteers gave 5,707 volunteer hours to 4-H and other programs equaling 3 full-time employees. 92% of 4-H STEM participants learned new Science skills and 95% of 4-H Healthy Living participants reported an increase knowledge of healthier foods.

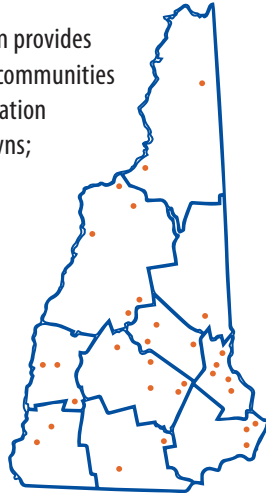

Extension is at work in every New Hampshire county, strengthening key industries, developing vibrant communities and engaged citizens, fostering healthy families and stewarding productive and healthy natural resources.

COMMUNITY & ECONOMIC DEVELOPMENT

The Community & Economic Development program provides educational programs and planning assistance to communities to help them cultivate civic leaders; foster participation in community decision making; revitalize downtowns; and grow the local and regional economy.

Technical assistance and planning support was provided to **31** New Hampshire towns.

FOOD & AGRICULTURE

The Food & Agriculture program provides research-based information and education to farms, agricultural businesses, and the state's food system sectors. Through research, education, and on-site advising, our specialists support production of quality products, sustainable use of resources, and profitability of businesses.
