Giving to Barry Conservation 4-H Camp

Want to help us get kids to unplug and tune in to nature? Perhaps you are interested in introducing young people to the outdoor traditions of fishing, shooting sports and hunting? If you believe in Barry Conservation 4-H Camp and want to support our programming, then please consider donating. Your gift is tax-deductible.

There are two funds for giving:

Camp Scholarship Fund

This fund is used to support youth and families and to make camp more financially achievable. Typically, the Camp Scholarship Fund is used to send youth to camp who otherwise would not have that opportunity.

Camp Gift Fund

Giving to this fund represents an unrestricted gift. Barry Camp strives to keep rates low and make camp affordable for families. That means that operating margins are low, and budgets are tight. This fund is typically used to purchase programming supplies and capital equipment that are identified needs, but that we are not able to build into the operating budget.

Donations should be made to “Barry Conservation 4-H Camp” and mailed to:

Barry Camp
UNH Cooperative Extension
59 College Road – UNH Taylor Hall
Durham, NH 03824

Please be sure to designate the fund to which you would like to donate.

Thank you! Your donations make a huge difference.
