SHOW PARTICIPANTS ARE ENCOURAGED TO PARTICIPATE IN HIPPOLOGY AND HORSE JUDGING

FOOD: Food Booth on Grounds

The New Hampshire 4-H Hippology Contest is a comprehensive, skill-based competition where youth demonstrate their knowledge and understanding of equine science and horse husbandry. The Senior Division contest is used to select the senior members that may compete as the New Hampshire State 4-H Hippology Team in regional and national events.

The Horse Judging contest provides members an opportunity to evaluate a class of horses, place the horses and have their placings scored in comparison to the official placing. Members may choose to do judging reasons (required for seniors interested in being a member of the NH 4-H Horse Judging team.)

Note: For 2022, the Hippology and Judging contests will be shortened/modified.

All Hippology and Judging contestants may be entered in the county show held at the Belknap Fairgrounds the same day (those showing will need to complete stations during breaks between their classes). The written test and judging for the show also be used for the hippology and judging Contests. A supplemental written test will be given to Senior Hippology contestants. In addition to the written test and judging, Hippology contestants will complete a stations phase on the grounds. There will be no "slides" or problem-solving phase for 2022. There is no teams component of either contest.

Judging will be held at approximately noon and will consist of two classes. Any senior interested in being part of the NH 4-H Horse Judging Team and any Junior or Intermediate who wishes to do so will do reasons for their judging placings.

The Judging classes (no reasons) will be the judging component of the Hippology contest.

The written test will be given to all Hippology contestants and all those participating in the show at approximately 9 am. The stations will be set up by 10 am and may be completed at the convenience of the member, not later than 2:30 pm.

SCORING THIS CONTEST IS COMPLEX AND TIME CONSUMING. Awards will be given the day of the event if possible but may be provided at a later date.

ELIGIBILITY:

Cloverbud Cloverbuds may enter the contest, which will consist of a quiz, horse judging and 2-3 Hippology stations. Cloverbuds are encouraged to have a reader &/or a scribe to help them. The Cloverbud division is non-competitive.

Junior & Intermediate Divisions: The Junior Division is open to 4-H members 8-10 years old on January 1 of the current year & The Intermediate Division is open to 4-H members 11-13 years old on January 1 who wish to participate in a Hippology or Horse Judging experience.

Senior Division: The Senior Division is open to 4-H members 14-18 years old on January 1 of the current year. Counties enter seniors as individuals or in three or four member teams and may send multiple teams. Participants must not have competed in the National 4-H Hippology Contest or in any official collegiate level contest and may not have taken collegiate level courses above introductory level in the subjects involved.

Youth with special needs (physical, learning, etc.) who require accommodations or their parent/guardian/leader should contact Mary Davis (see below) prior to the entry deadline.

STATE 4-H HIPPOLOGY or JUDGING TEAM CANDIDATES:

The top four Senior 4-H contestants in New Hampshire 4-H Hippology Contest and the NH 4-H Horse Judging Contest will be invited to practice and prepare to compete at the New England Regional 4-H Horse Contest in October. Team members are not guaranteed a spot on the final team. Final team selection will be made by coaches according to objective, written criteria approved by the State 4-H Office and announced and handed out to all of the tentative team and alternates at the first official practice held ASAP after the contest (within 3 weeks of final coach appointment). **All youth qualifying for NH state teams may be asked to pay a portion of their trip expenses. Funding is uncertain for a Hippology team to attend the Eastern National 4-H Horse Roundup. The decision of which teams will attend ENHR will be determined by team rotation, team member qualification & participation and availability of a qualified coach.**
